

GATE

GIRLS ACTION AGAINST TRAFFICKING & EXPLOITATION

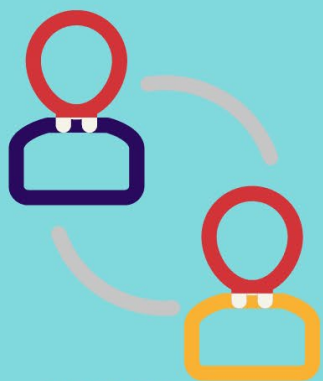

SUPPORT

Person-centered, wrap around support and preventative services to female-identifying young people ages 12-24 who are at-risk of, are currently, or are survivors of trafficking in Nova Scotia.

SERVICES

Through supportive housing, peer support, and interpersonal programming; survivors are given the opportunity to reshape their future

PROGRAMS

Programs offered include: Healthy Relationships, Life Skills for Teens, Understanding Anger, #NotaNumber, Healing Trauma, and more

TRAINING

GATE staff are able to train outside organizations in how to design their own preventative programming, based on the #NotaNumber model.
